GEORGIA

# Office of Innovative Services & GIS/Mapping

## Fee Schedule – Sale of Maps & Data

### Standard GIS Maps / Layers, which are available on QPublic.net (Troup County, GA):

- Standard paper sizes (8 ½" x 11" or 11" x 17") printed directly from QPublic.net: No Fee (\$0.00).
- Larger sizes printed directly from QPublic.net are available in PDF format only, via e-mail or downloaded to a USB/Flash Drive (provided by the customer): No Fee (\$0.00).

### Custom GIS Maps / Layers, which are NOT available on QPublic.net (Troup County, GA):

- Fees will be determined/quoted by the GIS/Mapping Department, based on the estimated time of work.
- Please contact the GIS/Mapping Department to receive an estimated quote for custom GIS Maps/Layers.
- Available in PDF format only, via e-mail or downloaded to a USB/Flash Drive (provided by the customer).
