100 Sam Walker Drive
LaGrange, GA 30241

PROCEDURES FOR OBTAINING A DRAINAGE PIPE (DRIVEWAY) PERMIT:

- Apply for and purchase a permit.
- Attach a map or sketch the location of site on back of Building Application
- After the location has been staked and flagged for identification call Troup County Road Department at (706) 883-1713.
- After the Engineering Department receives a copy of the permit, within five (5) working days of the site will be visited and sized.
- Applicant will be contacted by the Troup County Engineering Department and informed of the pipe size needed, if any.
- Immediately after driveway pipe and drive is installed by a contractor/homeowner, please contact the Engineering Department for inspection of the pipe and drive by Troup County. The number is **(706) 883-1713** and ask for **Brock Garner**. All driveway construction must adhere to Troup County driveway specifications. See attached sheets for slope, coverage, and location minimum requirements.
- Curb and Gutter driveway locations will be inspected after the driveway is installed. For information concerning the attached diagram contact the Road Department at **(706) 883-1713**.
