## **County to Reopen Select Government Offices**

**Troup County, Ga. May 15, 2020** – Troup County will begin to reopen select government offices inside the Troup County Government Center to in-person traffic on Monday, May 18, 2020. In accordance with guidelines instructed by Governor Kemp and the CDC, all visitors will be encouraged to wear face masks and practice social distancing while visiting the building.

Troup County is working diligently to provide the same level of service to the community while also implementing safety and security measures for all citizens, as well as employees. All visitors who enter the Government Center will be screened immediately by county personnel to include being asked to answer health-related questions as recommended by local health agencies and to provide a temperature check to ensure the wellness of all patrons seeking in-person services. All visitors will be subject to denial of entry based on their response to the questions and/or temperature. The county encourages the public to please stay home if experiencing any symptoms of COVID-19, as well as to please remain patient with all offices as they adjust to in-person traffic once again. All offices will continue to provide services online and via phone for those who wish to avoid person-to-person interaction.

The following offices will reopen to in-person traffic on May 18, 2020 during normal business hours from 8:00a.m.-5:00p.m.
