Fireworks Show Event Draws Record Crowd

Troup County, Ga. July 15, 2019 –The Annual 4th of July Fireworks Show event, presented by Troup County Parks and Recreation, was a great success this year, drawing in a record crowd.

The Fourth of July event hosted by Parks and Recreation featured a variety of food vendors, a Play Zone for children, live music by Eley Road, and a fireworks show at dark. The event brought a record crowd of 920 cars and an estimated 150-200 boats, which is the highest attendance that the County has ever accommodated for this annual event.

With thanks to the efforts and resources of Troup County Parks and Recreation, Troup County Sheriff's Office, Troup County E-911, Troup County Fire Department, Georgia Department of Natural Resources, and U.S. Army Corps of Engineers, the event remained safe and successful.

The event was sponsored by Jackson Services, major sponsor; State Farm, event sponsor; Herc Rentals, Xpect It!, and United Business Forms & Supplies. The County extends thanks to all who helped make the event successful, including many members of the community who helped tremendously in keeping the park clean, organized, and free of trash.
