

ADDENDA 1
ASSISTANCE TO FIREFIGHTERS GRANT
HOSE AND ACCESSORIES REQUEST FOR BIDS

- 1 Can you advise if the end user will accept comparable/similar to items for the products specified in this bid? I do not see any working in the bid document regarding this.

Pictures are for reference only. As long as product meets spec with the correct inlets and outlets, and materials constructed. Color only matters in the hose, it must be yellow.

2. When is the potential purchasing timeline?

As soon as the bids are received, I will review them with the Fire Department. We will then determine our recommendation for the Board of Commissioners. Our request to award will be added to the next board meeting agenda. Those meetings are held on the first and third Tuesday of each month. I would expect to be on the May 7, 2024 agenda.

3. Would you be willing to accept a cashier's check in the amount of 5% of the bid in place of a bond?
Would a Georgia Resident Agent be required to countersign a performance bond?

We will accept a cashier's check for the bid bond. As long as the bonding company is authorized by the Insurance Commissioner of Georgia to do business in Georgia or on the United States Treasury's list of approved bond sureties, and you provide proof of such authorization or approval, it can be signed by any authorized principle of the surety company, regardless of state of residency.
