

TROUP COUNTY BOARD OF COMMISSIONERS
POWER WASHING AND WINDOW CLEANING SERVICES
FOR THE GOVERNMENT SERVICES CENTER COMPLEX
100 Block of Ridley Ave LaGrange, GA 30240

ADDENDUM 1

1. Who was the last contractor who performed this service? What date and the contract amount?

The contract was awarded to Wright Way Pressure Washing of Columbus, GA. The date was 2018. The contract amount was \$23,092.00.

2. What is the budget for the current project?

Due to the addition of window washing being added to this project, we have not established a budget.

3. Will the county's bucket truck be accessible for the successful bidders use for the project?

No, we have discussed this with the department head and he states the truck is used frequently by county employees and will not be available. Each bidder will need to either provide their own equipment or budget for rental of necessary equipment to complete the project.

4. Will the tree limbs and bushes be cut back on the county's property to give access to the sides of the building during the cleaning process?

Yes, our grounds crew has been instructed to trim both the trees and bushes during their next visit in 2-3 weeks.

5. Will the City of LaGrange cut back the limbs of their trees along the upper side of the building on city property?

Yes, we have made contact with City of LaGrange officials and requested this be performed as soon as possible, prior to the beginning of the cleaning.
