Questions for Pest Control bid as of 11/5/2024

Q: We are gathering information and working to place a bid for the pest control services for Troup County. Could you let me know if there is any particular format or information that needs to be included with the bid information that we need to send to you? For example, information on our company or references?

A: It would be helpful to provide some brief background information on your company, such as years in operation, etc. Also providing commercial references would be beneficial.
