

ADDENDUM 4
CALLAWAY STADIUM
INFILLED SYNTHETIC TURF PROJECT

1. Please provide a standardized bid form for the bidders use. Or, you may approve the use of an AIA form if that will work.

We will not be providing a standardized bid form. Each bidder can provide their bid in the format of their choice. If that is an AIA form for some bidders, we will accept that. Regardless of the format used, each bid is to include all the information requested including the bid price and an additional line item for the add alternate from Addendum 2.
