

Troup County Board of Commissioners

Hamilton Road Project

This 1.42 mile project located in the city of LaGrange, Troup County consists of widening a two-lane roadway to four lanes with a 20-foot raised median and urban shoulders. It begins at the intersection of SR 1/US 27/Hamilton Road and Auburn Street (MP 14.80), and extends northerly to the intersection of SR 1/US 27/Hamilton Road and US 219/Whitesville Street/Morgan Street (MP 16.22). Extending from Auburn Street to SR 219, the project would complete the last link in the multilaning of the heavily traveled SR 1/US 27 corridor from I-85 south of LaGrange to near Waugh Road north of LaGrange. The corridor provides a much needed north-south multilane facility through a growing urban area.
