Troup County Conducts Successful Children's Book Drive

Troup County, Ga. November 29, 2018 – Troup County recently conducted a month-long children's book drive as a part of their United Way Campaign for The Jungle Bus in LaGrange, a Bookmobile that serves children of Troup County.

The County collected hundreds of donations that will benefit infants, toddlers, and children up to a third grade reading level. The Troup County Board of Commissioners would like to thank all those who participated in the book drive and contributed to the success of donating books into the hands of children in the community.

The mission of the Jungle Bus is to enable children to read on grade level by the end of the third grade. The joint effort program from the United Way Success by Six program and the Troup County School System Title One program strives to increase early learning awareness in children by delivering books to neighborhoods across Troup County.
